Highlight
A facility with eight different sport areas and accommodation in the fresh mountain air, for quality & fun leisure time with friends and family.

Timeframe
All year long

Budget
1.500.000,00 Euro

Objectives

By establishing the facility on a 42 acres area at the peak of Yamanlar mountain, we would like to promote active and healthy leisure activity space for youth in a natural setting. The goal is to strengthen and to help participants develop good social skills and support their mental health through physical activities.

Description

The facility holds different sports areas such as volleyball, basketball, golf fields tennis courts and a swimming pool. There is an amphitheater for 1200 viewers. The accommodation is provided through 14 rooms, bungalows and camping area for 200 tents. There is a restaurant, a cafe, emergency care, car parking area and an ecological farming field. The facility is a 20 minutes car ride from the city center.

Location

The peak of Yamanlar Mountain

Results

Youth will acquire social skills and have healthy leisure times through several programmes that will be held at the facility. Families will engage with physical activity and have an enjoyable quality leisure time together. The facility will become an alternative destination for the citizens overwhelmed by the city life.
